

After over 30 years serving Excelsior and our valued customers, Don Merchant has retired. Don was responsible to serving a large portion of our customer base over the years, which he did extraordinarily well. He developed many long-lasting relationships with customers and others involved with our business.

Don was deeply involved in the conversion of the Company's core manufacturing from leather to synthetic materials throughout the decades, and allowed us to successfully position the Company for continued growth.

Don is a valued friend and colleague, and we wish him all the best.
